

NOTICE OF DISPOSITION

Pursuant to sections 26(3), 28(2), and 94 of the *Community Charter*, SBC 2003, c 26, and further to the decommissioning of the City-operated Noble Creek Irrigation System (the “Decommissioned System”), the City of Kamloops (the “City”) is disposing of all Decommissioned System distribution infrastructure within City lands or City statutory rights of way (including within the alignment of an unregistered right of way through 6055 Westsyde Road) that is tangible or capital in nature, including pressurized water mains, water system valves, water control valves, water fittings, and other water distribution lines and associated works (the “Assets”). The Assets do not include intake, pumping, flood mitigation, or erosion control works, or rights of way, water licences, intangibles, or other such assets.

The City is transferring the Assets to the Noble Creek Irrigation Society for consideration in the amount of \$5.00.

For more information, please contact Greg Wightman, Utility Services Manager, at 250-828-3508.
