The City of Kamloops has an exclusive contract that requires only Coke products be sold in most City parks and stadiums. Please check prior to vending.

A Certificate of Insurance must be completed by the Permittee’s insurer before issuance of this Permit. The insurance requirements are \$2 million in Commercial General Liability and add the City of Kamloops as an Additional Insured.

Bylaw No. 9-60, Section 508, states, “All operators of mobile food concessions and food trucks and trailers must provide on-site receptacles for solid waste and recyclables, keep their operating area clean, and dispose of solid waste to the City landfill in an appropriate manner.”

Please note: The City of Kamloops will determine specific mobile vendor locations at each park.

McArthur Island Park and Tournament Capital Ranch slo-pitch fields are NOT included.

****Signature Event:** Large, signature community events, such as Canada Day, as defined by the City. For these events, the City reserves the right to determine the number and variety of service providers to best cater to the audience expected for the event.
