Yard Waste Site Closures

The Bunker Road and Barnhartvale Yard Waste Sites are now closed for the season. Cinnamon Ridge remains open from 10:00 am to 4:00 pm daily.

Indoor Walking Track

The Sandman Centre concourse is available for walking Mondays, Wednesdays, and Fridays from 9:00 am to 12:00 pm until April 2023. Due to Kamloops Blazers home games and concert schedules, some designated walking dates may not be available.

Pothole Season

With the current warm weather trend, you may notice more potholes popping up on our streets. If you see a pothole, please slow down and proceed with caution. We can only fill the ones we are aware of, so help us by reporting a pothole with the MyKamloops app at: Kamloops.ca/MyKamloops

Report an issue: 250-828-3461

For after-hours emergencies, press 1.

BUDGET INFORMATION SESSION 2023

The City would like to consult and engage with residents about the 2023 budget, as we plan for the next five-year budget cycle, from 2023 to 2027. Join staff and Council on Wednesday, February 15, 2023, at 7:00 pm in the Sports Centre Lounge at McArthur Island Sport & Events Centre for an update and discussion on the provisional budget.

Participants will also learn about and discuss a number of business cases brought forward by City staff and community groups, which Council will consider as additional budget items this year.

This will be the first budget approved by the newly elected City Council. Let them know your perspective on how it will affect you and your community.

WOOD STOVE REBATE PROGRAMS

Do you have an older, uncertified wood-burning appliance? Scrap it or upgrade it and you could be eligible for rebates!

Wood Stove Scrap-It Program

- \$400 rebate to homeowners who remove an uncertified wood-burning stove (without replacing it).
- pre-registration is required to determine program eligibility

Community Wood Smoke Reduction Program

- rebate of up to \$1,500 to homeowners who remove and replace an uncertified wood-burning appliance with a new, low-emission heating appliance from an authorized program retailer
- eligible appliances include electric inserts or heat pumps, and EPA-certified wood or pellet appliances

For a list of authorized program retailers and to find out if you qualify for rebates, visit:

Kamloops.ca/WoodStove

HOW DOES MY PROPERTY ASSESSMENT IMPACT MY TAXES?

Your Property's Value Change

1

LOWER than Average Change for Property Class

Property Tax Impact

Tax increase is likely **LESS** than the increase set in the City Budget

2

SIMILAR to the Average Change for Property Class

Tax increase is likely **SIMILAR** to the increase set in the City Budget

3

HIGHER than Average Change for Property Class

Tax increase is likely **MORE** than the increase set in the City Budget
