

Hazardous Materials Report Form

Building Section - Development, Engineering, and Sustainability Department
105 Seymour Street, Kamloops, BC, V2C 2C6
P: 250-828-3554 | E: building@kamloops.ca

This form is to be completed and submitted in association with an application for a building permit where the proposed works include **alterations or renovations within an existing structure**.

The information provided here is intended to assist the Building Official in determining if a hazardous material survey (HMS) in compliance with WorkSafeBC guidelines has been completed. If an HMS has **not** been completed, the Building Official will request further information regarding the scope of the project and the presence of any potentially asbestos-containing materials prior to the entry of the structure. If deemed necessary, a Building Official may ask that an HMS be produced. If it cannot be produced, the Building Official may stop the inspection to ensure his/her safety.
