# DOG LICENSING

The first step to responsible dog ownership is licensing your dog. Licensing your dog is easy to do and identifies you as your pet's owner, which provides peace of mind if they go missing.

**Dog Responsibility and Control Bylaw No. 34-42** states that all dog owners who possess a dog(s) over the age of six months must license the dog(s) every year with the City. A maximum of two dogs are permitted per parcel of land or dwelling unit within the city.

## DOG LICENCE BENEFITS

- Provides a dog identification service, which allows the City to reunite you with your dog if they are lost or stolen.
- Provides statistics on the number of dogs within the city to better assess the need for facilities and programs.
- \$5 per annual licence fee is reserved for future additions and upgrades to dog parks within the city.
- Owners of licensed dogs will save costs on fines and penalty fees.
- Licence revenue helps support animal control and regulatory services associated with pet ownership.

## PAYMENT OPTIONS

To provide better service, the City has various payment options. Your dog account number is needed and can be found on your licence renewal.

**Online:** at [Kamloops.ca/PayOnline](https://kamloops.ca/PayOnline) via credit card or Visa/Mastercard Debit

**In-Person:** at the Mission Flats Community Services Office, North Shore Community Policing Office, or City Hall
