Notice to Motorists - Line Painting

Over the next several weeks, City crews and contractors will be painting road lines. Motorists are reminded that driving over newly painted lines is an infraction under the *Motor Vehicle Act* and subject to a fine of \$109. Please slow down, be patient, and use caution when approaching areas that are being painted.

LAST CALL FOR PHOTOS

Residents of all skill levels and ages are invited to submit their digital photos for a chance to be featured in the 2021 City Calendar. This year, we are looking for YOUR image that you think best embodies Kamloops while representing one of the following terms:

- community
- recreation
- arts and culture
- nature

Conditions:

- photos taken and owned by the participant
- maximum of three photos per participant, submitted in digital format
- participants grant reproduction rights and permissions to the City of Kamloops
- photos must be a minimum of 2 MB, must not exceed 20 MB, and must be in landscape format (horizontal orientation)

Deadline: September 30, 2020, at 4:30 pm

COURTESY REMINDER: PROPERTY TAX

EXTENDED PENALTY DATE COMING SOON

The second extended penalty date for 2020 property taxes is drawing near. Residential property owners are encouraged to pay on or before September 30, 2020, to avoid an additional 5% penalty, which will be applied to their account on October 1. Residents are also encouraged to claim their Home Owner Grants (HOG) as any outstanding tax amount relating to HOGs will be penalized 10% on October 1.

In addition, September 30, 2020, is the deadline for commercial property taxes (Classes 4, 5, 6, 7, and 8), with a 10% late penalty applied on October 1 on any outstanding amounts.

To learn more and explore payment options, visit:

Kamloops.ca/PropertyTax

DISPOSE OF HAZARDOUS WASTE SAFELY

Are you tossing cell phones, batteries, or lighters into your garbage or recycling containers? Hazardous waste can explode during landfill and recycling processes, which can turn a regular household item into something dangerous.

Hazardous materials should be disposed of safely. Visit our website or download the Waste Wise app to search how to dispose of these items year-round or take advantage of this free upcoming event:

Hazardous Waste Roundup Event

Saturday, October 3
Mission Flats Landfill
10:00 am–3:00 pm

Important information for this year's event:

- Prepare an easily accessible load (i.e. box in the trunk of a car or truck box).
- Please remain in your vehicle—staff will unload your items.
- Expect longer wait times as we follow COVID-19 protocols.

Community CLIMATE ACTION PLAN

COMMUNITY CLIMATE ACTION PLAN

Climate change is a global problem that is causing observable local impacts such as extreme-weather events, wildfires, flooding, and drought. The severity and frequency of these events is projected to increase as the concentration of atmospheric greenhouse gases (GHG) continues to rise along with average global temperatures.

To be in line with provincial, federal, and international commitments to keep global temperature rise to 1.5°C, the City is developing a Community Climate Action Plan (CCAP) to reduce local GHG emissions.

Visit our Let's Talk page to learn more about the CCAP and to provide input on the plan's draft policies and actions through an online survey and a discussion forum.

We are also hosting three upcoming open houses at the Kamloops Yacht Club:

September 30, 6:00–8:00 pm
October 1, 1:00–3:00 pm
October 1, 5:00–7:00 pm
