RE: Deputy Mayor to Represent Kamloops City Council

Kamloops City Council wishes to inform all representatives of the [GOV/ORG] that Mayor Reid Hamer-Jackson is no longer authorized to speak for the will of Kamloops City Council or the corporation of the City of Kamloops, as per Council resolution effective May 28, 2024.

The appointed Deputy Mayor, which rotates month-to-month among the eight councillors and is outlined in the attached schedule, will represent City Council and the organization at all events and for all matters locally, provincially, and federally. Please note, the Deputy Mayor schedule is subject to change. The current version is posted online at Kamloops.CivicWeb.net. This decision does not preclude staff speaking publicly on behalf of the City of Kamloops.

The Deputy Mayor will author and sign all communications from Kamloops City Council. All applicable provincial and federal government agencies and all municipal governments within BC will receive this communication.

Any official communications for Kamloops City Council should be directed to Deputy Mayor and Council via the Executive Assistant to Mayor and Council at eacouncil@kamloops.ca. We appreciate your cooperation and look forward to working with you.

Sincerely,

Deputy Mayor Kelly Hall
