Noise Bylaw Exception Polling Form

February 7, 2022

Dear Neighbours of 133 Smith Road;

By now you will have received a copy of the Noise Bylaw Exception letter from Mountains Studio on February 1, 2022.

By signing below, you are indicating whether or not you support the City of Kamloops granting an extension to the Noise Bylaw (7:00 am–10:00 pm) on February 15, 2022 at 133 Smith Road to film starting at 9:00 pm and complete work by 1:00 am on February 15, 2022. During that time the production will make all efforts to minimize noise, including generators, wherever possible.

The exterior filming includes scenes with dialogue, some sounds of people partying (occasional hollering and louder talking), and does not involve flashing lights, gunfire, special effects, or stunts.

The scene lighting will be placed backing onto the alleyway behind the home and that area will be brighter than normal.

Street Name: _____

Office Use	House Number	Name (Print)	Signature	Phone (optional)	Support	Does NOT Support

First Visit Date: _____ Time: _____

Second Visit Date: _____ Time: _____

Final Visit Date: _____ Time: _____

Alternatively, residents may email their address, contact information, and whether or not they support the extension request to filmproduction@kamloops.ca and the City of Kamloops Film Official will receive it.

Thank you for continuing to engage with the film industry in Kamloops!
