The City of Kamloops strongly recommends that its Certificate of Insurance forms be used. The Standard Certificate of Insurance and Construction Certificate of Insurance forms can be downloaded from the City's website. Please ensure the appropriate certificate is completed.

The Purchasing and Inventory Control Manager and the Risk Management Division have the authority to increase limits based on the complexity of the work contracted out, in accordance with Corporate Policy FIN-8-3, Liability Insurance Requirements.

If you have any questions, please contact Elle Howaniec, Claims and Insurance Coordinator, at 250-828-3417 or Terry Pile, Risk Manager, at 250-828-3315.
