# KAC MEETING RULES (DRAFT)

- Share the airtime (Everyone participates, no one dominates, one speaker at a time)
- Actively participate in the process (Be willing to share your unique perspective and experiences)
- Be positive, non-judgmental and open to new ideas (Challenge ideas, not people)
- Stay at the strategic level (Out of the technical and operational)
- Respect each others' thinking and value each others' contributions (Great things come from open, honest, mutually respectful dialogue)
- Seek common ground and listen to understand
- Honour time limits and stick to the agenda (Staying on schedule is everyone's responsibility)
- Whatever is said in the room stays in the room
- Listen for the future to emerge (Consider the bigger picture of where we are going rather than getting stuck in the details)
- Have fun!

# KAC ROLE: PUBLIC ENGAGEMENT

## KAC Terms of Reference:

- **Providing advice and support** for an effective community engagement strategy and related activities, helping to ensure **broad and diverse input** from citizens during the review and update that aids policy development and decision making

- **Reviewing** the Public Engagement (PE) Strategy and associated materials prepared and presented by project staff
