**Police Record Check (confidential)**

As a volunteer, you are placed in a sensitive position of trust when interacting with the public. For the protection of the participants in the program (you and the City of Kamloops), the City requires that you consent to a criminal record check before volunteering. After you have completed your interview, and the City feels you are the right addition to the program, you will be asked to obtain a criminal record check with the Kamloops RCMP before your volunteer experience begins.

**Thank you for your interest in our program. A staff member will contact you soon to discuss your application.**
