The Tournament Capital Centre will transform into a FREE festival for families with children of all ages!

On Monday, February 18, 2019, the 7th annual Family Day Festival will take place 10:00 am–2:00 pm at the Tournament Capital Centre.

Community organizations and businesses will bring a wide range of family-focused festivities into one place. Festival goers will have an opportunity to get creative with arts and crafts, have their faces painted, experience live performances, learn about all things science, try new sports, and play musical instruments. There will be something for everyone.

Think sustainably, and don't forget to bring your own eco bags from home to carry all your goodies in.

The Kamloops Food Bank will be accepting donations of non-perishable food items at the door.

HERITAGE WEEK

BC HERITAGE WEEK
FEBRUARY 18–24, 2019

The theme of Heritage Week 2019 is "The Tie That Binds". Celebrate Heritage Week by visiting the many unique places and spaces in the community. Explore some of the built heritage in our city through the City of Kamloops Heritage Property Tours or learn about local Indigenous heritage at the Secwépemc Museum and Heritage Park.

During Heritage Week, join us at the Kamloops Museum & Archives (KMA) for:

- Heritage Week Artifact Chat - Hear the stories behind some of our favourite artifacts and their connections to the heritage of the city.
- An Artist's Archive - The KMA is hosting a workshop for artists to learn about creating their own personal archives—what to include, how to catalogue, and best practices for preservation and storage.

Registration is required. For details, visit:

DOWNTOWN PLAN

The Downtown Plan review and update process is in its third phase. Last year, the City engaged residents on the vision, key issues, and potential development concepts for the Downtown. Based on this feedback, the City has prepared refined development concepts and strategic directions to guide policy development under the following key topic areas: transportation and mobility, infrastructure and environment, housing, parks and recreation, and community well-being.

There are multiple ways to get involved and provide your feedback.

- Open house—Wednesday, February 20, 5:30–7:30 pm, Sandman Centre
RSVP to communityplanning@kamloops.ca
- Online survey (available until March 18)
- Kitchen Table Conversation Kit—host your own meeting by March 18 with your neighbours, community group, or association
