# City of Kamloops Tournament Capital Centre Fitness

## **Aqua Express Circuit**

Challenge your aerobic and anaerobic systems using non-impact circuit training. Travel between stations using noodles, weights, and your body weight, while using elements of water running for recovery.

## **Aquafit**

Aquafit is a great way to engage in non-impact, full-body exercise that will challenge your strength and endurance. Join this fun, dynamic, and social class.

## **Barre Fitness**

Join us at the barre for a dynamic workout that combines elements of ballet, barre fitness, Pilates, strength, and flexibility. Sculpt and tone your body with this focused workout that targets postural strength, alignment, and endurance. No dance experience is necessary.

## **Beginner Boot Camp**

This beginner-friendly, boot camp style class will give you a great full-body workout by combining strength and cardio drills to get your heart pumping! Learn to use a variety of equipment and enjoy longer rest breaks. This class is a great introduction to our advanced boot camp.

## **Beginner Yoga**

By practising simple yoga postures, breathing exercises, and easy movements, you will build strength and flexibility and improve your posture in a relaxed atmosphere. Learn a complete range of basic poses in this non-intimidating environment. Modifications will be provided to help you get the most out of each class, no matter your fitness level. No experience is necessary.

## **Beginner Mat Pilates**

Learn Pilates principles and apply them to mat exercises to improve core strength and stability, relieve back pain, improve posture, and reduce stress.

## **Core Strength**

Optimize every move you make in this class, which is designed to complement your personal goals. Work on strengthening your abdomen, pelvis, and back muscles to increase performance and prevent injury. Condition your core for a stronger, healthier you!

## **Cycle Fit**

Challenge yourself with this motivating, intermediate-level spin class. From roadie to fitness enthusiast, this class has something for everyone, with a variety of intervals and drills that are guaranteed to have you feeling the burn. Work at your own intensity through hill climbs, speed intervals, and active recovery.

## **Fit to Line Dance**

If you love music and dancing, join us for an hour of instructor-led choreographed line dancing that promises to improve your fitness, coordination, and memory! Learn the steps and practice in a fun and encouraging atmosphere.

## **FUNctional Strength and Yoga**

This fun combo class will use only body weight for a full body workout! Start the class with a beginner friendly yoga flow sequence, build into a functional movement based strength workout, and finish off with a relaxing stretch. The perfect workout in 60 minutes!

## **Gentle Circuit**

Designed for the beginner exerciser, this circuit covers everything from walking to strength exercises to offer a unique, full-body workout. Combine balance, strength, and coordination training with cardio to start exercising in a safe and fun environment. A track pass and a Gentle Circuit punch pass are required.

## **Gentle Circuit PRO**

If you have been attending Gentle Circuit for some time and would like more of a challenge, give Gentle Circuit PRO a try. This circuit-style class incorporates exercise progressions that will take you to the next level of balance, strength, coordination, and endurance! A track pass and a Gentle Circuit punch pass are required.

## **Gentle Spin**

If you're new to indoor spin/cycling or just looking for an easier alternative to a traditional spin class, Gentle Spin provides a safe, adaptable, low-impact option. This class provides easier options for difficult moves seen in higher intensity spin classes and is a great complement to any cardio routine. Participants are encouraged to work at their own level.

## **Gentle Spin and Stretch**

Combine a shorter spin session with a relaxing stretch as an introduction to indoor spin/cycling or to complement your current routine. This gentle indoor spin class combines easier and low-impact spin options with a guided stretch to finish the class. Participants are encouraged to work at their own level.

## **High Intensity Interval Training (HIIT)**

Using tabata-style intervals (high-intensity training followed by a short rest), you will blast your entire body with a challenging and rewarding full body workout. Come prepared to sweat in this fast-paced class.

## **POUND®**

Sweat. Sculpt. & ROCK in this cardio jam session inspired by drumming. You won't just listen to music-you'll become the music in this exhilarating full-body workout that combines cardio, conditioning, and strength training with yoga and Pilates-inspired movements. Designed for all fitness levels, POUND® provides the perfect atmosphere for letting loose, getting energized, toning up and rockin' out!

## **Sensational Survivors**

This all-women, cancer-specific exercise program will provide you with a safe way to exercise in all stages of treatment and recovery. You will work one-on-one with an exercise professional to create a program specifically for you, followed by six weeks of twice-weekly supervised group exercise sessions. For more details, please call 250-828-3742.

## **Spin it, then HIIT the Barre!**

Challenge yourself with 45 minutes of drills and intervals on a spin bike, then 45 minutes of high intensity intervals on the Barre! This perfectly balanced cardio and toning workout will leaving you feeling the burn!

## **Strength Intervals**

Do you like variety in your workouts? Strength Intervals will use a different mode of training each week - kettlebells, dumbbells, medicine balls, bands, speed, agility, and body weight exercises! In 45 minutes, you will get a great, full-body workout!

## **Stretch and Relax**

Take time to focus on the mobility and flexibility of your joints and muscles. This class takes you through a guided, whole-body stretch that promotes flexibility, mobility, breathing, and relaxation. Participants must be able to get down to the floor and back up again comfortably.

## **Stroller Fit**

Meet other moms while working out in a fun, non-intimidating environment. This circuit-style class focuses on building strength, cardiovascular fitness, and flexibility while your baby or toddler enjoys some time in the stroller. Nursing and crawling babies are welcome in this all-levels class. It is recommended that moms be at least 4-6 weeks post-natural delivery or 8-10 weeks post-Cesarean.

## **STRONG by ZUMBA®**

This revolutionary high intensity workout combines strength training synced to each beat of pulse pounding motivational songs. Move in synch with the music, using only your body weight for a challenging full body workout.

## **Strong Bones**

Join a qualified instructor to safely and effectively increase your fitness level by improving posture and balance, and build stronger muscles and bones while decreasing the risk of falls and fractures.

## **Stronger Bones**

Building on the principles learned in Strong Bones, we invite you to challenge yourself further with this more advanced class. Increase your balance, strength, and coordination in a safe and fun environment while managing your risk for falls and fractures.

## **TRX Combo**

In a small group, you will learn the basics of suspension training, and move in a way that will leave you feeling challenged, strong, and inspired! Workouts will include movement in all planes of motion using the TRX and a variety of other types of equipment for a high-energy combo class!

## **Water Running**

Do you love to run? Are you looking for some cross-training or do you have an injury? This coached, deep-water, running workout is similar to land-based running and includes pick ups and drills to increase your fitness in a low-impact environment. Work at your own pace to build your running base without the repetitive impact of running!

## **Workout of the Week (WOW)**

Change your routine up each week using dynamic movements for a high energy full body workout. Use dumbbells, medicine balls, bands, body weight and fun cardio drills for a different style of class each week. Will it be a HIIT style class, cardio/abs combo or functional strength workout? Join us and find out.
