# WELCOME TO THE KMA!

The KMA holds a mirror to Kamloops. Our holdings are the spark and the evidence of our shared history, and fuel our vision of preserving the past to make sense of the present, moving imaginatively into the future. We thrive on providing outstanding visitor experiences on ALL THREE FLOORS OF OUR MUSEUM. We seek to foster a sense of pride and offer a unique experience for creativity and learning for all ages in an informal and overtly-social environment.

**PLEASE TALK!** | We encourage all our guests to please talk in our galleries, have fun, and discuss the content and artifacts you see as you make your way around the building. Laugh, cry, and remember that we like hearing our galleries active.

**MOBILITY AND/OR WHEELCHAIR ACCESSIBILITY** | All three floors of the KMA are wheelchair accessible with elevator access. People with limited or reduced mobility may be dropped off or picked up at the Seymour Street entrance.

**WASHROOMS** | The KMA has washrooms located on FLOOR 1. There is a family changing room table available. Drinking fountains are next to the washrooms, as are benches for rest.

**SUPERVISION** | To protect both children and collection materials we ask visitors to have one adult supervisor for every five children.

**PLEASE DO NOT TOUCH (NOT EVEN A LITTLE)** | Did you know that nearly all Museum artifacts are more fragile than they appear? Any contact—even the most gentle touch—transfers contaminants such as oil, acid, and bacteria onto an object, accelerating its deterioration. If you find yourself unable to resist the urge to touch something in the Museum please enjoy our Learning Centre space on FLOOR 1, all objects on display can be picked up and handled there.

**TAKING PICTURES** | To respect the rights of artists, the KMA allows photographs for personal, non commercial use only, without a tripod. Please refer to the Canadian Copyright Law for further details.
