

A wide-angle photograph of an outdoor pickleball court. Several players are visible on both sides of the net, engaged in a game. The court is blue with yellow lines. The background shows a chain-link fence and lush green trees under a clear blue sky. The title 'Pickleball Safety' is overlaid in large white text.

Pickleball Safety

If courts are full and you are waiting:

- Place your paddle in the slots provided to hold your group's spot.
- Please limit play to one game to 11 points.
- Call "court" when finished playing your game to 11 and rotate out.
- Once you have finished your game and you want to play again, place your paddle in the slots at the end of the line.

Court Etiquette:

- Smile, introduce yourself, and welcome new players.
- Do not enter a court while a rally is in progress.
- If a ball rolls to your court, call out "Ball," stop play if necessary, and replay the point.
- Please leave belongings outside the courts or attached to the fence inside. Do not place items on the ground inside the courts.
- Please help keep the courts clean.
- Scheduled time allotted for Kamloops Pickleball Club are for members only.
