### PLEASE READ CAREFULLY

By completing and signing this form, you indicate that you:

1. understand and agree that asbestos is a hazardous material found in construction material installed pre-1990 (examples include spray insulation, flooring tiles, drywall, and drywall joint compound/mud) that, if handled or processed improperly, poses a serious health risk to workers and the public exposed to asbestos-contaminated air;
2. affirm that you have made a truthful declaration about the origin, age, and content of the material you are disposing of at this facility;
3. agree that your load will be subject to the offence and penalties outlined in the City of Kamloops Solid Waste and Recyclables Bylaw No. 40-59 and the TNRD's Notice Enforcement Bylaw No. 2500 if load audits prove the presence of asbestos in your audited load; and
4. agree to accept liability for and indemnify the City of Kamloops against all costs, claims, damages, liabilities, fees, penalties, offences, fines, and expenses incurred by the City of Kamloops that may result from an incorrect or untruthful declaration regarding the origin, age, and content of the material you are disposing of at this facility.
